

**Leelanau Historical Society
Third Annual
2008 Golf Marathon Fund Raiser
August 18, 2008**

Leelanau Historical Society board members Mark Nesbitt and Ross Satterwhite will once again each be playing 100 holes of golf in a single day at the Leland Country Club on August 18, 2008 to raise funds for the Leelanau Historical Society. The last two years this event has raised over \$35,000 for the Historical Society.

We are seeking sponsors again this year to pledge a fixed donation amount, or alternatively a dollar amount per each hole played.

Last year, all monies raised went to help pay for a new roof for the Historical Society Museum. All monies raised this year will go towards the digitization of LHS archives and collections. Our goal for this event is \$20,000. Thank you for your support.
